PLAY

The South African Football Philosophy:
OFFENSIVE PLAY

Use the advantage of our players' multi-functional ability to construct, support, complete attacks.

The South African Football Philosophy: **OFFENSIVE PLAY**

Disorganized Opposition

- *Attacks are done at high speed and acceleration with elements of risk taking and surprise.*
- *With numerical superiority and decisive attempts at goal.*
- *Change point of attack.*

Organized Opposition

- Attack is based on possession with continuous mobility using direction changes and disguise.
- Creating space through intelligent/creative players' rotations/interchanging of positions.
- Individual 1v1 actions/dribbling with quick and decisive penetration and scoring attempts.
